4324 Barringer Dr. Ste. 106  
Charlotte NC

**We believe everyone can make a positive contribution to the workforce!**

We travel all across the United States to make repairs at power plants.

**High Temperature Technologies**  
*An Equal Opportunity Employer*

**What you should know:**

- **Must pass pre-employment drug test**
- **Must have photo ID & SS Card**
- **Must be able to travel**
- **This is seasonal part-time work**
- May be required to fly or carpool with other technicians to a jobsite.
- Must consent to random drug testing
- Must have the physical ability to climb stairs and carry 50 lbs. from one work station to another.
- Work sites are often dirty, elevated, and very hot or very cold.
- Must work well with others.
- Must be able to communicate safety concerns or potential hazards.

High Temperature Technologies is a small, privately held company that has been installing a proprietary product in power plants throughout the US for over 20 years.

We are always looking to hire in the Spring and Fall. If you are interested in learning more about what we do and our employment opportunities please call **704-375-2111**.
