

**Prescription Drug Coverage – CVS Caremark
Medicare Eligible Retiree EPO Plan**

CVS Caremark is Mecklenburg County’s prescription drug plan administrator who manages employee and retiree prescription benefits like a health insurance company manages medical benefits. Members (and their dependents) enrolled in the medical/prescription plan will be eligible to utilize the CVS Caremark portal to manage their benefits – www.caremark.com/wps/portal. The portal can be used to view costs, review coverage details, learn about savings opportunities, and more.
