

# How Does My Recycling, Yardwaste & Garbage Program Work?

## Home Owners & Renters

If you are a home owner or renter in Mecklenburg County, please check the information for your municipality.

## Multi-Family Community (Apartments, Townhomes, Condominiums)

If you reside in a multi-family community that doesn't offer curbside collection, please check our Multi-Family Household Recycling Information on page 19.

## Unincorporated Areas of Mecklenburg County

If you live in an unincorporated area of Mecklenburg County, you can take your garbage and recyclables to one of the Full-Service Drop-off Centers (see map on page 8) or you can contract with a private garbage/recycling hauler. Residents that live outside of the city or town limits are responsible for finding a collector unless your HOA or community provides collection service. A list of haulers can be found at [www.WipeOutWaste.com](http://www.WipeOutWaste.com).

**NOTE:** Charges may apply at Drop-off Centers

## Quick Find! Your Municipality

<b>City of Charlotte</b> .....	<b>page 12</b>
<b>Town of Cornelius</b> .....	<b>page 13</b>
<b>Town of Davidson</b> .....	<b>page 14</b>
