

**MECKLENBURG COUNTY**  
Office of the Tax Collector

**Property Tax Mass Payment**

Mecklenburg County's Office of the Tax Collector is using a simplified version of the mass or bulk payment file. This is a service offered to property management companies, attorney offices or taxpayers with more than 20 properties being paid at once. The layout requires only two columns - the first will contain the full 24-digit bill number (including hyphens), and the second will list the payment amount.

Note that to process files expeditiously, we must have 1 check per payment file (1:1 ratio). We cannot process one file with multiple checks.
