

Get Involved and Join the Community Support Services Substance Use Human Rights Committee

This committee is dedicated to ensuring the protection of the human, civil and client rights of all consumers served by the Substance Use Programs. This committee is directed by clients and meets four times a year. The Client Rights Committee is comprised of individuals who are either direct consumers of services, family members of clients or community professionals.

This Committee is charged with tasks which includes reviewing a variety of information and documents. A sample of the documents include the following:

- Cultural Competency Plan
- Client Rights Policies
- Accessibility Plan
- Incident Reports
- Client Complaints
- Client Handbook

Currently meetings begin at 5:30 PM and are held at 3205 Freedom Drive Suite 2000. We meet the 4th Tuesday in July, October, January and April, and a light meal is provided at each meeting. Date, time and location are agreed upon by the active committee members.
